

A close-up photograph of a baby with dark hair and eyes, looking upwards with an open mouth. The baby is wearing a light-colored, patterned long-sleeved shirt. The background is a solid blue color. In the upper left corner, there is a large white circle containing a blue dollar sign (\$). To the right of the circle, the letter 'V' is partially visible.

The logo for Maryland Right to Life, featuring the text "MARYLAND Right to Life" in a serif font, with a large blue heart outline to the right.

We urge you to preserve the Hyde Amendment and halt the flow of federal funding to abortion providers in future appropriations bills.

- Studies show that when public funding for abortion increases, the number of abortions increases.
- 57% of Americans oppose the use of their tax dollars to pay for abortions. 73% oppose taxpayer funding of abortions in foreign countries. (Marist Poll- January 2025)
- The Hyde Amendment, which limits taxpayer funding of abortion in many federal programs, is credited with saving 2.5 million+ lives since it was first adopted in 1976.
