ABORTION WITHOUT LIMITS

- Rep. Harris opposes a policy that allows unlimited abortion for any reason until birth. He voted to protect unborn babies from excruciating abortions late in pregnancy when irrefutable scientific evidence shows they can feel pain.

TAXPAYER FUNDING OF ABORTION

- Rep. Harris opposes taxpayer funding of abortion. He voted to preserve the longstanding Hyde Amendment, which prevents tax dollars from being used to pay for elective abortions in many federal programs. In 2025, he also voted to make abortion providers ineligible to receive federal taxpayer funding (H.R. 1).

BORN-ALIVE ABORTION SURVIVORS

- Rep. Harris cosponsored and voted for the *Born-Alive Abortion Survivors Protection Act* (H.R. 21), a bill which would ensure infants who survive attempted abortions are afforded the same degree of medical care as any other newborn of the same gestational age.

SUPPORT FOR MOTHERS AND FAMILIES IN NEED

- Rep. Harris cosponsored and voted for the *Supporting Pregnant and Parenting Women and Families Act* (H.R. 6945), a bill to ensure pregnancy help centers remain eligible to receive federal grant funding and that such funds cannot be unjustly withheld from them. In 2024, pregnancy help centers in Maryland provided counseling, parenting classes, and medical services such as pregnancy tests and ultrasounds as well as material resources, including diapers, clothing, strollers, cribs, and formula, to more than 10,000 women and families.
